

DCR031B1BSLDD Compact Refrigerator

Product Features

This dual door Energy Star® rated compact refrigerator includes a separate fridge and freezer section. The 3.1 cu. ft. (87.0 litres) capacity provides enough room to keep small meals, snacks, leftovers, drinks and frozen fare handy. This miniature version of larger stainless look models is ideal for guest rooms. This unit features a mechanical thermostat and manual defrost, also the scratch resistant worktop is the perfect place to store kitchen accessories. The reversible door can be set up to open from either the left or right side.

- 3.1 cu. ft. (87.0 litres) capacity refrigerator
- Spotless steel - looks identical to real stainless steel but without the smudging
- Separate freezer provides superior performance
- Partial automatic defrost
- Interior light
- Integrated handle
- Tall bottle storage
- Clear vegetable crisper and cover
- Smooth back design for a flush fit against walls
- Reversible door hinge for left or right hand opening

Warranty

18 months parts and labor. Installation and/or Yearly Maintenance (cleaning) are not covered under warranty.
