CAUTION LABEL STANCHION AND CHAIN KIT

Mr. Chain part number for this kit is 96481-6.

CAUTION LABEL STANCHION AND CHAIN KIT - (BLACK AND YELLOW)

Kit includes (6) 2.5 Inch (Medium Duty) Yellow Stanchions with Black Caution Safety Labels and 50 feet of 2 Inch Black and Yellow Alternating Plastic Chain. Recommended spacing for plastic stanchions is 8 feet apart.

A stanchion includes (1) pole, (1) c-hook, (1) ball top, and (1) base. 2 Inch Plastic Chain can be hung with the c-hook or in a continuous length. To maximize stability, each base should be filled with sand or pea gravel.

Plastic Chain will alternate in color every 2 feet.
