

SC12-G

THREE-SHELF SERVING CART

Lightweight yet sturdy, the Luxor three-shelf serving cart is the perfect blend of storage and maneuverability making it ideal for healthcare facilities, food service, or hospitality environments.

The SC12-G is easy to clean and its polypropylene shelves are scratch-resistant while aluminum uprights provide stacking strength that allows for a 200 lb. capacity. All shelves offer a 1" lip on three sides to help control contents, with one lipless side to aid in loading and unloading. The 12" clearance between shelves offers ample space and mobility is enhanced by dual ergonomic push handles combined with four 4" rolling PVC casters.

Dimensions:

- Overall: 33.5"W x 16.75"D x 36.75"H
