**A Roll Is Always  
on Stand-By** So  
Your Custodians  
Don't Have to Be

## Welcome to a New Age of **Zero Waste and Jam-Free Design.**

Dual Roll Auto-Switch Technology makes the enMotion® Flex System doubly innovative.

enMotion® Flex Recessed

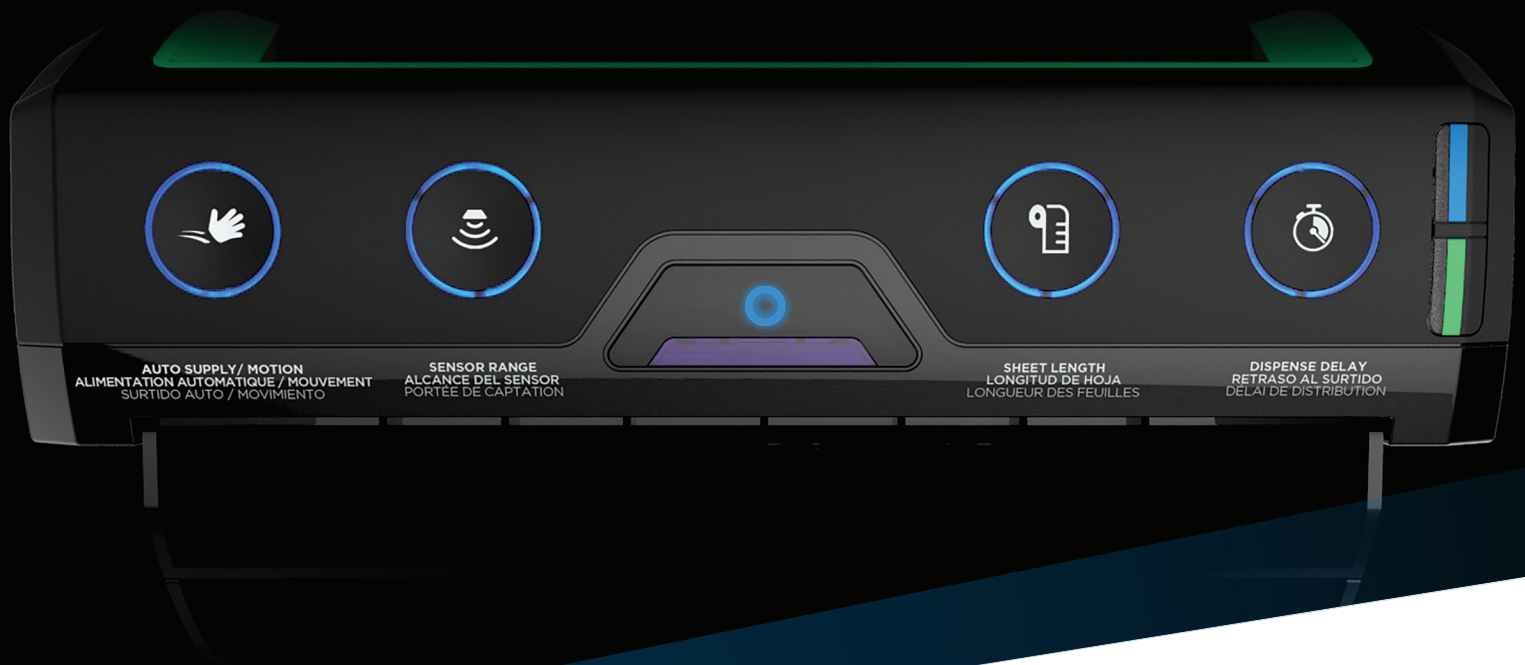

enMotion® Flex Wall Mount

enMotion® Flex Mini

## Game-Changing **Efficiency:**

From the brand that delivers **99.9% JAM-FREE DISPENSING**.

Auto-feed grabs and guides towels. **A CLEAN TEAM'S DREAM.**

Refilling guesswork is gone. A stand-by roll means **JAMS ARE JUST A MEMORY.**

**200+ ROLLS** run on just **1 SET OF BATTERIES** in a typical office environment.

## Revolutionary Waste **Reduction:**

Dual Roll Auto-Switch Technology means one **ROLL IS CONSUMED 100%** before the dispenser auto-switches to the other. The result is **ZERO WASTE**.

Controlled dispensing can help **REDUCE WASTE BY UP TO 30%** compared to standard GP PRO folded towels.

## A Towel-Every-Time **Dependability:**

**AUTO-SWITCHING ROLLS VIRTUALLY WIPE OUT JAMS AND RUN-OUTS** and make users happy with a towel every time.

From the brand that delivers **97% CUSTOMER SATISFACTION**.

**WHISPER-QUIET™ DISPENSER** makes an elegant statement, loud and clear.

Fully enclosed rolls and one-at-a-time dispensing seriously **CUT DOWN ON CROSS-CONTAMINATION**.
